Category	Points Given	Comment
Quality of Draft	2.8	I like that you added visuals to go along with your worded explanations. Please be sure to review your paper and adjust grammar/punctuation. Other than that, your paper looks great!
Journal	3	Found a fitting journal to submit to, which is "The Journal of Sports Analytics".
Video	3	Didn't read paper word-for-word and gave a brief overview of each paragraph/visual, which was great! Nice job!
